## Please send with your cover sheet:

### Categories a-c only:

- a) **Music Festivals**
- b) **Commissions**
- c) **Performing projects**  
(which may also include commissioning costs if appropriate)

1. **A summary outline of the project which should not exceed one side of A4.**

Things to include in this summary:

Information about the key **repertoire**; the names of **ensembles/soloists** taking part; any other **key partners or participants**; the principal performance **date(s)** and **venues**.

If you are applying to **commission** a new work, you must specify the **duration** and **instrumentation** of the piece and list at least **two guaranteed performance dates**.

If applying for support for a **series or a festival**, full programme details should also be included in a separate document.

The Trustees will also be interested to know how this project **fits with your artistic objectives** as well as how you intend to **attract your audience**.

### Category d only:

- d) **Recordings**

1. **A summary outline of the project which should not exceed one side of A4.**

Things to include in this summary:

Information about the **key repertoire**; the names of **ensembles/soloists**; any other **important partners or participants**; information about the recording **venue**.

The name of the **recording label**. Details of **pressing size, distribution and marketing**.

**Recording and release dates**. Grants will generally be made **on release of a recording**.

If you are applying to make a **privately made recording**, where an outside recording company is engaged only to manufacture and/or distribute, but bears no costs of the recording, and demonstrate that you have the **agreement of the recording company** to participate in the project.

### All applicants:

2. **Brief information** about the organisation applying, your track record, and the principal performers involved in this project (**or appropriate online links**). If applying as an individual, please supply an up to date cv.
3. **If you have not recently received a grant from the Trust** (within the last 3 years) you should also send a **pdf programme book** or other confirmation of your recent work.
4. **Brief** biographical info about the principal composers included (**or appropriate online links**). NB: for projects which feature **emerging composers**, or those likely to be less familiar to our Trustees, please also include **an online audio link** to a recent composition wherever possible. Please do not send audio files.
5. **A budget** detailing the costs of your project and the income you anticipate receiving. If you are applying for a single event within a series or festival you must supply the budget for the single event rather than the series.

On the income side it is helpful for us to be able to see clearly:

- a) how much you can contribute from your **existing or core resources**
- b) how much you anticipate the event will **earn** (eg: income from ticket sales and advertising)
- c) how much additional funding from other sources is **already confirmed\***
- d) how much you hope to raise from applications/initiatives which are **currently pending\*+**
- e) how much you hope to raise from applications/initiatives which have not **yet been submitted\*+**

\* **Please identify the sources** of this funding eg: Arts Council, named grant makers or trusts, commercial sponsors, individual donors or crowd funding projects etc

+ **This information should be updated** after the application is submitted, for instance as applications to other grant makers are approved or rejected.

6. Organisations or companies should send a copy of your most recent **signed end of year accounts** – or an **online link** to your accounts.
